

AMERICAN FLAG

FLAG RULES

Flag Rules

1. The flag should be flown from sunrise to sunset.
2. If the flag is flown at night, it should have a light shining on it.
3. Never allow the flag to touch the floor or ground.
4. Raise the flag quickly and lower the flag slowly.
5. When a flag is folded properly, it should be in the shape of a triangle showing the stars.

I promise to **handle** the flag with care!
